Competitions

- Team Score
- Pro Score

No individual Amateur Scores - *with the exception of deuce pot*

- K.P.'s on every Par 3 – 2 per hole
- Deuce Pot

The deuce pot is a fund that all players put in prior to their first day. Any gross 2 gets a share of the daily pot. Payment is \$20 if you are playing 3-day event and if you are playing more days, then an extra \$5 per day. Payable as you collect your tee gifts.

Payouts

We pay 50% of the field for the Team payout and Top 3 for the Pros. The goal is to make sure the event is FUN first and not taken so seriously about winning money.

Pace of Play

We are 5somes so we don't expect 4 hours, but we also don't expect 5+ hours. **Your group should not be more than 400 yards behind the group ahead of you.** We have instructed the golf clubs to be strict in keeping you in the right location. They will warn you once & only once and then the next move is to be placed into position and your team will be required to take net par on any holes you miss. Golf is more fun when you aren't waiting. Don't be that Guy/Gal that is holding the field up. We have tight schedules of buses to return to the hotel. We will have a hard stop at 3:15pm where groups must return to the clubhouse regardless of if they have completed the round (take net pars on any unfinished holes). Rest assured that we provide plenty of time to complete the round.

Shuttle Bus & Transfer Clubs

Following the round. It is the players responsibility to ensure they put their clubs on the clubs transfer and then hop on the bus to return to the hotel. Note – there will be two club transfer trucks. One going to Cascata (Red Sticker) and one to Southshore (Green Sticker). If you need a traveler, please grab from the bar but we leave immediately following the round.
